He added, "The Walt Disney Studios has a great brand." minionk - Quote: The film, which is scheduled for release in U.S. theaters on July 10, 2015, features . The film, which is scheduled for release in U.S. theaters on July 10, 2015, features and including The Minions, which are pint-size minions created by a brilliant but dimwitted creator. The Minions have a knack for finding lost items and are often accidentally employed by people who come across them. minionk - Quote: In the latest installment of the hugely successful Despicable Me franchise, the Minions embark on a nefarious plot to take over the world. minionk - Quote: "I've always been really close with [his wife] Miranda and really close with [the kids], and I think Despicable Me really introduced us to them, so it's really weird that they got to be part of my life for 20 years, and now they're just gone," she said. "I'm going to miss those kids. I really like the movie. I thought it was cute. I think that Minions was really good. I thought the themes were really interesting." minionk - Quote: Starred in "Annie." minionk - Quote: The action thriller will be inspired by David Baldacci's "All Our Yesterdays." It's the story of Claudia Blumenkranz, an American woman in Paris, who finds herself in a whirlwind of dangerous political intrigue after she discovers a mysterious envelope containing seemingly innocuous and utterly damning information. minionk - Quote: "Avengers: Age Of Ultron" is the most dangerous threat that the Minions have ever encountered. They have gotten bigger than ever before and hold an even bigger grudge. This time the Minions have an enemy that's their equal and is easily bigger than them. minionk -
