I don't have a valid serial number and I just downloaded.Q: Write to a float32 array using OpenCL I'm trying to write a float32 data array to the GPU using OpenCL. This isn't written to a texture with `text_write_image2D`, so it cannot be done with `image_write`. All my values are the same, as they are coming from a sensor that is always repeating to the same memory address: float32 w[19]; However, with `image_6d1f23a050`
